

Power Shopping Pouch How TO:

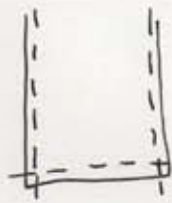

- 1.) CHOOSE 4 different fabrics in the same color scheme. And 4 different colors of craft felt in the similar scheme.
- 2.) cut 2 diff. pieces of Fabric to 24" long x 4" wide
- 3.) Sew them to ea. other, leaving one end open. Turn inside out.
- 4.) cut a piece of Lawnchair webbing to fit the width of your bag. Sew it to the front.

6.) Fold this piece in half to 48" long x 1" wide - Sew (this is the strap)

7.) Tuck into the open top of the fabric rectangle that is the bag. Sew across to close the top.

8.) Now sew the rectangle closed on 3 sides to form the pouch

9.) Now using your cuttlebug flower dies cut out several layers of flowers from felt.

10.) Glue the layers together w/ tacky glue. Glue to the pouch front.

11.) Use a piece of fabric cut to 12" long x 1/2" wide and create a ruffle around the outside of the flower.

12.) Run a bead of glue around the edge of the flower and ripple up the fabric and use a straight pin every so often to hold the ruffle in it's shape until dry.
